

Sprint Three Report - SlugChat - Team SlugChat

June 5, 2016

Actions to stop doing:

- None.

Actions to start doing:

- More thorough documentation of code.

Actions to keep doing:

- We should keep helping each other when we are stuck on certain tasks.
- Keeping in contact through Slack.
- Meeting together and programming as a group.

Work completed/not completed:

Completed user stories:

- As a user, being a student I want to have ability to manage site features.
- As a developer, I want all features properly working in frontend
- As a user, I want to be able to upload and download files to the website
- As a user being a professor I want to be able to set up an account.
- As a user, I want to be able to see lecture slides in my web browser, and comment on them in real time.

Uncompleted user stories:

- As a user, I want to be able to privately message my friends in the class if I have a question.
